Archbishops of the Roman Catholic Church are overseers of their Episcopal Sees which are Roman Catholic districts. They are watchers or overseers and that is why their territories are called Sees like the Holy See which is their "All Seeing Eye." All high level Catholic priests like archbishops and cardinals are initiated into pedophilia, child murder, cannibalism and blood drinking and that is how they elevate in rank within the Church. Pedophilia is an initiation for Catholic priests and most of them are child molesters and that is why there is so much pedophilia in the Catholic Church. They made it so Roman Catholic priests cannot have wives which is unnatural. Pedophiles are attracted to the Catholic priesthood for this reason. The Roman Catholic Church does mock rituals of drinking human blood and eating human flesh called the Eucharist. They do this as an attempt to incorporate their followers into their satanic crimes. The New Testament did not exist until about 1600. It was the Vatican and European monarchs that put together the New Testament.

Pope Francis is titled the Bishop of Rome, Primate of Italy, Sovereign Monarch of the Holy See, and Pontifex Maximus. Pope Francis was the Archbishop of Buenos Aires, Argentina. Many of the royal, noble, and priestly bloodlines are descendants of Arab or Moorish clans which invaded Europe which is why they are trying to destroy European cultures by bringing in large amounts of migrants. The Moors and Arabs that invaded Europe around 700 AD raped women and were involved in a large sex slavery industry trafficking white European women and children into the Mid East.

There is no one to report them for this because the children are dead and were orphans from other nations. The Catholic Church owns and runs funeral homes including crematoriums which they use for disposing of bodies. The Vatican supported and participated in slavery and human trafficking throughout the centuries and slavery is promoted in the New Testament with "Servants, obey in all things your masters according to the flesh; not with eyeservice, as menpleasers; but

in singleness of heart, fearing God; And whatsoever ye do, do it heartily, as to the Lord, and not unto men; Knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ." - Colossians 3:22-24.

Dagon was a fish deity from ancient Canaan and Babylon. The Israelite people were a tribe which was surrounded by invasive foreign tribes like the Canaanites which slowly infiltrated Israel and corrupted it. Around the time of the flood the remaining Israeli resistance left Israel and settled in what is now called Greece. These Canaanite and Babylonian invaders then perverted the Israeli-Hebrew culture corrupting the language, history, and beliefs and created modern Judaism which is the old Babylonian religion and not the actual beliefs of the ancient Israelites.
